Special Keys For Special Features

Prior to game play, press **ESC** on puzzle selection screens to return to the **FREDDY'S POND** screen.

During game play, press **ESC** to view the **HELP MENU SCREEN**.

On the Apple II+, press **ESC** to capitalize letters when creating *Word Puzzles* or naming *Word* or *Number Puzzles*. Press once to capitalize. Press twice to capitalize several letters in a row. Then press **ESC** to return to lowercase letters.

Press **CONTROL C** to edit and/or correct content when creating *Word Puzzles*. If you want to change a word after you have pressed **RETURN**, press **CONTROL C** to back up to the item you want to change. Then retype the word.

Press **CONTROL C** to move from one section of *Freddy's Puzzling Adventures* to a previous section. For example, if you choose to load, save, or erase a puzzle from the **HELP MENU** screen, then decide not to do so, press **CONTROL C** to return to the **HELP MENU** screen.
